

CONFERENCE ENGAGEMENT

Coming to a new year corporate celebration, poses the question: “what are we going to do with our people, other than listening to music and eating- drinking”?

Maybe a series of group digital games, tailored for small or big groups seated or standing in a constrained space, would be the answer! The options are more than enough to raise the spirits in 10-30 minutes time and start the new year with the celebrating spirits & good-humored ambience that we deserve to...
